

Société Chimique de France

Île-de-France

**Call for applications**  
**The French Chemical Society - Île-de-France Section**  
**PhD Thesis Award 2022**  
**Deadline for submission: May 31, 2022, midnight Paris time**

In 2022, the Île-de-France Section of the French Chemical Society (SCF-IdF) is proud to organize the 6<sup>th</sup> edition of the SCF-IdF PhD thesis Award.

**Six prizes** in total of 650€ each will be awarded to young chemists for their work performed during their Ph.D in each of the following fields: **“Organic chemistry”, “Inorganic, Mineral and Materials Chemistry”, “Theoretical, Physical or Analytical Chemistry”**.

Criteria for the application:

- The candidate must have defended her/his PhD thesis between January 1, 2021 and December 31, 2021.
- The candidate must have been enrolled in a doctoral school of Île-de-France region.
- The candidate must be a SCF member.

---

**Details on how to apply:**

The application **must be written in English** and contain the following items.

- 1) A cover letter stating clearly the reasons for the application to this award
- 2) A full CV (2 pages maximum), containing the full list of publications (articles, book chapters, abstracts, patents), and communications as presenting author (poster, conferences)
- 3) A summary of the PhD work (2 pages maximum),
- 4) A support letter from the PhD laboratory,
- 5) A copy of the PhD defense report,
- 6) The Excel file attached fulfilled,
- 7) A commitment of the candidate to freely present his PhD work at the Young Talented Chemists Day which will take place in September (date and modality - virtual vs presence, to be defined).

Application forms have to be sent as a single PDF file (size < 2 MB) named “nameofthecandidate\_JTCaward.pdf” by email to:

[contact-idf@societechimiquedefrance.fr](mailto:contact-idf@societechimiquedefrance.fr)

Deadline is set on **May 31, 2022 midnight (Paris time)**. (Applications submitted later will not be eligible.)

**Timetable of the application procedure:**

- 1) End of application: May 31, 2022
- 2) Evaluation of applications by the office of the SCF-IdF Section: after mid-June 2022
- 3) Selection and shortlist announcement: before end of June 2022 (no evaluation report will be provided)
- 4) Award competition in Paris during a SCF-IdF symposium in September (date and modality to be defined)
